Introduction

Paralympic Games Paris 2024

Enter the extraordinary

In 2024, Paris will host the largest Para sporting event ever organized in France—its first Paralympic Games.

A GROWING EVENT DRIVING HUGE INTEREST:

- The Paralympic Games is the third largest sporting event in the world
- More people watch the Paralympic Games on TV than Formula 1
- Para athletes train and compete full-time, and some could compete at the Olympic level
- The depth of talent is increasing—qualifications have become more rigorous; winning margins are much tighter
- As part of its expansion, the Paralympic Games are now offering extraordinary hospitality experiences—creating an even more immersive sporting event
